Att: Jacquelyn – Director of policies.

Hi Jacquelyn.
Just come off your informative webinar.
Attached is the article on tree destruction from the Herald.
I will send you the letter from the Hills Council to Minister Griffin and have asked them to forward it to Minister Roberts.
As mentioned, the tree destruction laws in NSW are ineffective.
I will also send you the link to my son's online article.
Regards,
Dennis van Someren.
